Performance Measurement Survey Client Comments – 2009/2010

What was most helpful about the support you have received so far?

Added Comments

Maxine was great.

They were very support of me. What I mean is that they where very queck on the job. Right away (sorry about my spelling) please for give me. Also I am not ready to work right know because of my health.

I thank you so munch for the fast help it was really fast working.

All I want is a worker to help me with takeing care of my health right know and my teeth and eyes. I have a hard time seeing right now.

I hope me and my son Michael can get along while we are living together. I trying to get Michael to understand that it is not good for me to be alone all the time. He hads a girlfriend and I have to understand Michael ways it hard for me. But I'm trying really hard to get threw this right now. Please understand me.
